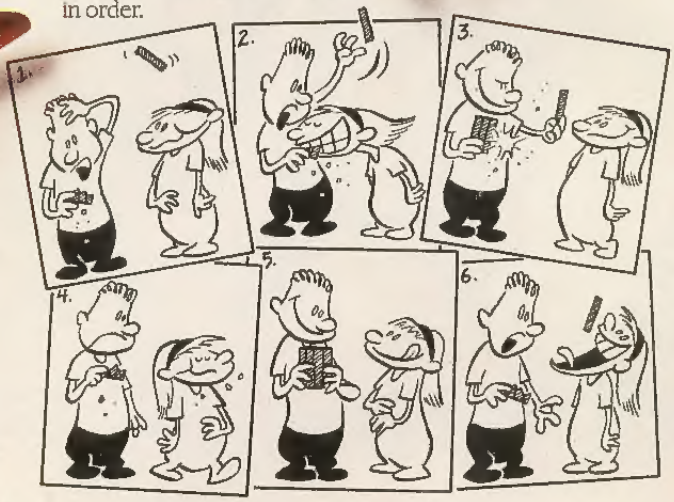
BREAK TIME!

These comic strip panels have been jumbled. Examine the pictures and put them back in order.



Find something that has hands and a face but no mouth.

Find something whose name has "Kit" in it.

Hey, when you're finished with these puzzles, give your brain a break and have a Kit Kat bar. Crisp wafers in creamy chocolate. What's there to think about?

Are there more round things or striped things?

CRISP WAFERS IN CHOCOLATE

Spinning in the centrifuge. Flying the shuttle. Floating in the ⅙th gravity chair. Navigating the manned maneuvering unit. Scarfing space food. Wrestling satellites. Working as a team. Learning. Dreaming in my habitat. Just like an astronaut. Wait. I am an astronaut.

What a trip.
